

Works Notice

New Shellharbour Hospital

1 May 2025

Work is continuing for the new Shellharbour Hospital from 1 May 2025

The new Shellharbour Hospital is part of the more than \$780 million New Shellharbour Hospital and Integrated Services Project, funded by the NSW and Australian governments.

Health Infrastructure has engaged BESIX Watpac to carry out the work which includes:

- Earth Wall installation
- Formwork, steel reinforcement and concrete pour of inground stair and lift cores
- Waterproofing to lift and stair pits
- Inground services installation
- Formwork, steel reinforcement and concrete pour of ground floor slabs
- Installation of jump formwork ongoing
- Stair and lift Core Walls

We have included a map to show you the location of the work.

Our work times will be between 7am and 6pm from Monday to Friday, Saturdays 8am to 1pm. We will let you know in advance of any changes to these days and times.

Main works construction of the new hospital started in 2024 and is expected to be completed in 2027.

How will the work affect you?

We recognise that building new infrastructure can be disruptive to nearby residents, businesses and road users. All construction activities are carried out with the health and safety of the local community as our top priority.

We endeavour to keep noise, dust and vibration to a minimum and we will make every effort to minimise impacts by:

- Monitoring noise, dust and vibration levels
- Applying appropriate respite during noisy activities
- Limiting the duration of noisy work, including completing this work during standard construction hours
- Limiting the use of multiple plant and equipment at the same time and location
- Using non-tonal reversing beepers on plant, equipment and heavy vehicles
- Turning off plant and equipment when not in use

- Providing advance notification of noisy activities
- Water trucks to manage dust.

We will monitor and manage access points throughout construction and may implement short term traffic control management and speed limit reductions when required. For your safety, please follow the directions of traffic controllers at all times.

Keeping you informed

If you would like to speak with a member of the project team directly, you can call us any time on our 24/7 project information line on: 02 8741 7400 or email us at receptionnsw@watpac.com.au.

For general information on the project, please visit shellharbourdevelopment.health.nsw.gov.au or email HI-shellharbourdevelopment@health.nsw.gov.au.
